**BHARAT FORGE LIMITED, INDIA AWARDED ‘SWORD OF HONOUR’ FOR SAFETY SUCCESS...**

**UK, November 29, 2013:** Bharat Forge Limited, India the largest forging company in the world has been conferred upon with the prestigious international “Sword of Honour Award” by the British Safety Council for our Health & Safety Management Systems.

The Sword of Honour Award was received by Mr B P Kalyani, Executive Director, Bharat Forge Ltd. today, 29<sup>th</sup> November 2013 at the historic Goldsmiths’ Hall in the City of London.

The Sword of Honour is a reflection of high standards of Health & Safety performance and demonstration of leadership in safety in all phases of operations across the plant. Bharat Forge Limited is among a few companies in the world in the forging sector to have received this honour.

Accepting the Award, Mr B P Kalyani, Executive Director, Bharat Forge Ltd., said “I would like to thank the British Safety Council for recognizing our efforts towards Health & Safety and honouring us with the Sword”. I would also like to congratulate our entire team for this outstanding achievement and am sure that we continue working with the same zeal and spirit in the area of Health, Safety and Environment, he added.

**ABOUT BHARAT FORGE**

Bharat Forge Ltd. (BFL), the flagship company of the USD 2.5 billion Kalyani Group is a global provider of high performance, innovative, safety & critical components and solutions to various sectors including Automotive, Oil and Gas, Power, Locomotive and Marine, Aerospace, Construction & Mining. It is the largest exporter of auto components from India and a leading chassis component manufacturer in the world. BFL today has the largest repository of metallurgical knowledge in the region and offers complete end-to- end capability from concept to testing and validation to marquee global OEM's. At the cusp of a breakout growth and transformation into an engineering conglomerate through its aggressive foray in capital goods and infrastructure sectors, BFL is committed to proactively expedite India's transformation into a global economic giant.
