AMIT KALYANI

Vice-Chairman and Joint Managing Director

We are pleased to announce the re-appointment of Mr. Amit Kalyani as Vice-Chairman & Joint Managing Director of Bharat Forge Limited. As a visionary leader, his strategic guidance will steer us towards new horizons, fostering the continued growth and prosperity of Bharat Forge Limited. Congratulations, Mr. Kalyani, on this esteemed appointment!

DEAR COLLEAGUES

For over six decades, we have stood at the forefront of technological advancement, transitioning from understanding the 'how' to unraveling the 'why' behind things. Redefining industry standards and consistently surpassing expectations have been the driving forces propelling us forward, shaping every facet of our endeavors and our corporate culture.

In our organization, collaboration and empowerment lie at the heart of our operations. We believe in fostering our people and nurturing a culture that encourages innovation and excellence. As we embark on the BFL 2.0 era, our focus remains on becoming digitally advanced, with technology ingrained in every aspect of our operations. From Artificial Intelligence to machine learning and virtual reality, we are committed to bringing cutting-edge technology in-house.

Our AI & ML tech center stands as a testament to our relentless efforts and pursuit of technological advancement. We always strive to implement cutting-edge tech within our facilities to remain the last man standing in the industry, showcasing our commitment to customer delight

At Bharat Forge, we firmly believe in the principles of unity in diversity and inclusive growth. It is through embracing diversity and fostering an environment of inclusivity that we can truly thrive and achieve our collective goals.

Together, let us continue to push boundaries, embrace change, and strive for excellence in all our endeavors.

TRANSFORMATION

“ In the journey of Bharat Forge’s transformation, “Customer First” has always been the guiding principle.

This journey has not been easy.

Against and despite so many odds, thanks to our visionary and unwavering Leadership, we crafted the “right to win” by creating a large and ever expanding world-class manufacturing infrastructure, on a bedrock of engineering excellence, innovation and rigorous execution.

It was not just about selling products. Emphasis was to create “trusting partnerships” - in India and across the globe irrespective of industry segment.

With the guiding principles of BFL 2.0, we have resolved to take “Customer First” to unprecedented levels, across all geographies and industry segments served.

At its core, Bharat Forge’s success narrative underscores the power of human connection & commitment. Our employees have always been our “go-getters”- the solid foundation of our success.

Over decades of reliable performance across the value chain, we have earned our brand value of “Dependability”-

Today, Bharat Forge stands tall not just as a symbol of Indian manufacturing prowess but as a beacon of global excellence and resilience ”

FOUNDATION OF OUR LEGACY

SINCE 1961

As we celebrate six decades of excellence at Bharat Forge Ltd., we take a moment to honor our humble beginnings. These photos capture the spirit and determination of our early days, when our manufacturing plant was just being built. They serve as a testament to the hard work, vision, and commitment that laid the foundations of our legacy. From these roots, we have grown into a global leader, continuously forging ahead with innovation and resilience. Join us in reflecting on this remarkable journey and the enduring legacy that propels us forward.

THE FUTURE IS HERE

Bharat Forge, a leading industrial powerhouse, has inaugurated its cutting-edge facility: the AI & ML Tech Centre. This pioneering establishment marks a pivotal stride towards digital transformation within Bharat Forge, amplifying its capabilities and fostering innovation. With a focus on leveraging Artificial Intelligence (AI) and Machine Learning (ML), the center is poised to revolutionize operations, augmenting efficiency and precision across various domains.

At the heart of this initiative lies Bharat Forge's commitment to nurturing young talent, empowering them with the tools and knowledge to spearhead advancements in the industry. By embracing emerging technologies, the company not only enhances its own prowess but also contributes significantly to the vision of Make in India and a self-reliant India.

The AI & ML Tech Centre stands as a testament to Bharat Forge's dedication to innovation, propelling the company towards greater heights while championing indigenous expertise and capabilities.

WOMEN EMPOWERMENT

BHARAT FORGE'S DEDICATION TO GENDER DIVERSITY AND INCLUSION TOWARDS INCLUSIVE LEADERSHIP

For over six decades, Bharat Forge has championed inclusivity, fostering a diverse workforce where women thrive in top leadership. This commitment stems from a deep-seated ethos of social responsibility, driving positive impacts within the organization and its communities. Women are integral at all levels, from senior management to the shop floor, creating an empowering culture and setting new standards for excellence. As the company grows, it strategically advances gender equity, leveraging women's unique strengths like technical finesse and accountability. Initiatives support women's integration, amplifying their presence and catalyzing societal change for a more inclusive workforce nationwide.

JOURNEY FROM SHOP FLOOR TO LEADERSHIP

Women bring unique strengths to their roles, including technical finesse, attention to detail, and a strong sense of accountability, underscoring the invaluable contributions they make to the organization's growth and success

AND WE HAVE A DAY CARE FACILITY NOW!!!

“ Bharat Forge has taken a significant stride towards creating an inclusive and caring workplace environment by announcing its partnership with Dew Drops DayCare and Playschool, located in Magarpatta. This collaboration represents a significant step in the company’s ongoing commitment to supporting its employees.

The new partnership aims to provide a convenient Creche facility to meet the needs of Bharat Forge employees, especially working mothers. Dew Drops offers comprehensive childcare services catering to children aged 6 months to 6 years, aligning with Bharat Forge’s dedication to fostering a supportive and family-friendly work environment.

With the introduction of the creche at Dew Drops, employees can now focus on their professional responsibilities with peace of mind, knowing that their little ones are well-cared for in a nurturing and conducive environment. We firmly believe that the introduction of the creche facility will play a pivotal role in fostering an environment where women across Bharat Forge and Kalyani Group can thrive both personally and professionally. ”

Srinivasu Malladi
Vice President - Human Resources

FROM MOM, WITH LOVE !

“I want to express my sincere gratitude to the Bharat Forge HR team for providing such a valuable creche facility. I recently enrolled my son and was thoroughly impressed with the experience. The facility’s adherence to schedules for meals, activities and rest time is commendable. They prioritize cleanliness and hygiene, with well-organized play areas and a clean kitchen. The caregiver-to-child ratio is ideal, ensuring personalized attention. Overall, this creche facility exceeded my expectations and I highly recommend it to other working mothers at Bharat Forge.”
