### Summary of Green Village Scorecard

19 January 2024

## **Green Village:**

A Green Village is one which offers basic resources like water & energy and infrastructure like education, healthcare & sanitation, thereby leading to economic prosperity and enhanced quality of life.

**IGBC Green Village Rating Criteria:** Implementation status of 32 Indicators under following 7 Modules have been verified as part of assessment process. Every indicator has 3-4 implementation requirements at village level.

<b>I. Health &amp; Hygiene</b>
<b>II. Village Infrastructure</b>
<b>III. Water Conservation</b>
<b>IV. Energy Availability &amp; Efficiency</b>
<b>V. Materials &amp; Resources</b>
<b>VI. Social &amp; Community Actions</b>
<b>VII. Green Innovation</b>

**IGBC Green Village Certification has been carried out for 6 villages in Satara District, Maharashtra, which has been adopted as part of Bharat Forge CSR Initiative.**

The village has applied for IGBC Green village rating to develop it into a model Green village, as per IGBC's rating framework.

IGBC Assessors have studied the set of documentation (during Preliminary & Final Submission stage) prepared based on the various initiatives taken by Gram Panchayat and Bharat Forge CSR team for the village.

Wonderful work has been carried out under the leadership of Bharat Forge CSR Team.

Congratulations to the Villages!

We are happy to note that the villages stand out as an excellent example of Green Village in the country. When evaluated under the Green Village criteria, the village achieved the credits and qualifies for the 'IGBC GREEN VILLAGE' Platinum, Gold and Silver Rating respectively.

The details of the villages and rating levels achieved are as below:

- Dhamner : IGBC Platinum
- Saygaon, Rui, Takale, Nagzari : IGBC Gold
- Targaon : IGBC Silver

The Summary of the Evaluation Report of the village is captured in the following pages.

This is an excellent accomplishment and demonstration of **Gram Panchayat and Bharat Forge team's commitment to sustainability.**
