Gold rating - Takale

Lokarpan Sohala [Handover ceremony] of completed work

- Solar water pump system at village Velang.
- Work details: 20 KW

This project will reduce the dependency of villagers on electricity or diesel. Since the Gram panchayat will be relieved from heavy electricity bills, the amount saved can be utilized for the development work in the village.

Lokarpan Sohala [Handover ceremony] of completed work

- Roof top solar system at Primary Health Center, Rahimatpur
- Work details: 8 KW

Due to frequent power outage in government hospitals, Patients and hospital staff have to face many problems. Power cut issue is now resolved and the electricity is now available throughout the day.

Water Harvesting Project at village Khatgun (Work in progress)

Desilting & Construction of cement nala bandhara at Khatgun village

Measurement :

- Construction of CNB - 19.50 Mtrs length* 4.5 Mtrs height *1 Mtrs top length
- Desilting - 100 Mtrs length *10 Mtrs width * 1.50 Mtrs depth
- Water storage capacity : 10.00 TCM by which 300 acres of land will come under irrigation.
- This work will benefit to 1,800 villagers.

Site visit & Interaction with the villagers at village Khatgun.

Taluka: Koregaon District: Satara

Project visit

Water Harvesting Project at village Ekambe (Work in progress)

Desilting of bandhara at village Ekambe

Measurement : 25,000 Cubic Meter silt removed.

- Water storage capacity : 25.00 TCM by which 300 Acers of land will come under irrigation.

Outreach Activities

Project - Community Development

Initiatives at Community Centers

- As part of an income generation initiative, different activities are conducted for the women at community centers.
- The members of self-help groups participate in stitching activities, with more than 35 community women regularly involved.
- They have received the remuneration through checks for their efforts in stitching.
- Last month, a cooking training activity was also organized, with over 55 women participating in it.

Community women receiving remuneration for stitching work

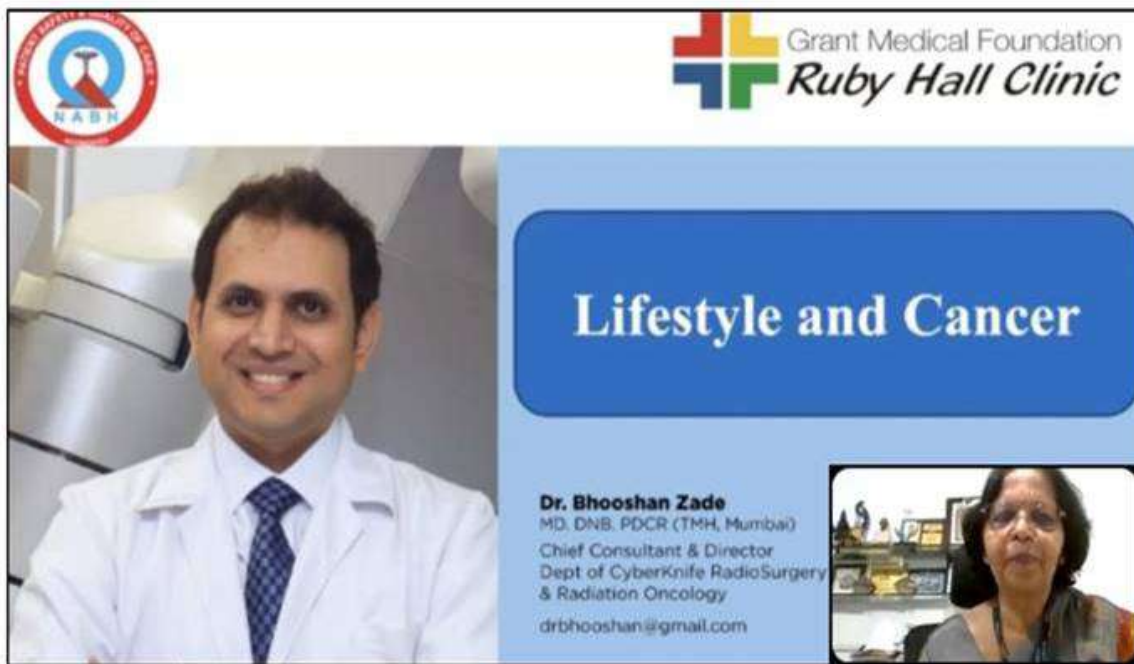

Cooking Training

Project - Community Development

World No Tobacco Day

- We organized an awareness program on the harmful effects of tobacco consumption on the occasion of "World No Tobacco Day."
- We conducted the virtual session for our employees, their family members and the members of community centers.
- Dr. Bhushan Zade from Ruby Hall Clinic spoke on the topic "Lifestyle, Cancer, and the Dangers of Tobacco."

Project - Waste management

Awareness meeting of waste management project

- Under the Waste Management project, we have installed 1090 composter planters (CP) in the Hadapsar region. These CPs convert the daily kitchen waste into a quality manure.
- This year, we plan to install an additional 600 new composter planters.
- Before the installation of new CPs, we organized several community mobilization programs and awareness meetings at various locations of Hadapsar like Sadna Society, Praful colony & Sanket Vihar at Kalepadal, Binawat Township, Prestige Panorama Etc.

Binawat Township Society, Hadapsar

Sadhana Society, Hadapsar

Project - Pratham Pune

Summer Camp

- Annually we organize Summer Camp for the children of Pratham Pune at all 8 divisions where we are working.
- This year also it was organized from 27th may till 1st June 2024 where more than 419 students participated.
- Different activities and sessions were conducted for the children which includes sessions on plastic literacy, activities related to health, preparing art and craft etc.
- On the last day the children were taken to the nearby nursery in order to educate them on the basics of planting and caring for trees and plants.

Different activities during summer camp

Educational trip to plant nursery

Date : 1st May 2024 to 31st May 2024
