

## PRESS NOTE

**Kalyani Strategic Systems Ltd Receives Prestigious Award for “Export Performance of Defence and Aerospace Products” at North Tech Symposium 2023**

**Jammu, 14 September 2023:** Kalyani Strategic Systems Ltd (KSSL), a fully-owned subsidiary of Bharat Forge Ltd, is delighted to announce that it has been honoured with the prestigious award in the category of "**Export Performance of Defence and Aerospace Products**" at the North Tech Symposium 2023 held in Jammu. The award was handed over to the company by Hon. Defence Minister Shri Rajnath Singh.

KSSL's dedication to excellence, coupled with the support of the Government of India, the Ministry of Defence (MoD), and the Ministry of External Affairs (MEA) have enabled us to contribute effectively towards making India 'Aatmanirbhar' in defence.

This recognition is a testament to KSSL's relentless commitment to excellence and innovation in the field of Defence technology. The award is a reflection of Kalyani Strategic Systems Ltd's outstanding contribution to the Defence and Aerospace industry and its dedication to promoting self-reliance in the sector. Kalyani Strategic Systems Ltd continues to be at the forefront of cutting-edge technologies, delivering world-class solutions in Defence and Aerospace.

---

**About KSSL:**

Kalyani Strategic Systems Ltd. (KSSL) is a 100% subsidiary of Bharat Forge Limited, founded as a key company to drive defence business initiatives. The Group's legacy and experience in design, engineering, metallurgy, and manufacturing expertise spanning over five decades have played a key role in the Group emerging as one of the leading defence players in India with established capabilities of entities within its fold across key locations in India.

**About Bharat Forge:**

Bharat Forge Limited (BFL) is the flagship company of the USD 3 billion Kalyani Group and a global provider of high performance, innovative, safety & critical components and solutions to various sectors including Automotive, Railways, Defence, Construction & Mining, Aerospace, Marine and Oil & Gas. BFL today has the largest repository of metallurgical knowledge in the region and offers full-service supply capability to its geographically dispersed marquee customers from concept to product design, engineering, manufacturing, testing and validation. At the cusp of a breakout growth & transformation into an engineering conglomerate through its aggressive foray in capital goods and infrastructure sectors, BFL is committed to proactively expedite India's transformation into a global economic powerhouse.
